Water Cold, Man Dies

MINDEN (ENS) — A 47-year-old Willowdale man died Saturday when he suffered a heart seizure as he entered the icy waters of Gull Lake for a swim.

Dead is George Britton.

Minden OPP said Mr. Britton had gone to his Moore's Falls cottage with some friends to

close up for the winter.

Temperatures in the high seventies apparently deceived the man and he decided to go for a swim. He was pronounced dead by Coroner Dr. Fred Griffith of Minden. The body was taken to the Welch Funeral Home.

Minden Boy, Top Navy Grad

Leading Seaman Stafford N. Yearwood, son of Mr. and Mrs. C. N. Yearwood of Minden, Ont., was the top graduate in a recent class of 13 students taking a 44-week engineering course in the Fleet School at H.M.C.S. Stadacona, Halifax.

He attended Haliburton County District High School in Haliburton, Ont., before joining the navy in January, 1957. He is married to the former Mary Margaret Osmond of Sydney

Mines, and they now live in Dartmouth, N.S.

Clarence McInerney Elected President Of O. S. S. T. F. District Number 22

For the first time in the history of Haliburton Highlands Secondary School on Saturday, October 17th, the staff entertained the teachers from District 22. District 22 comprises an area bounded by Oshawa, Brighton, Bancroft and Haliburton. At this meeting Clarence McInerney of the Haliburton staff was elected President of this organization. Mr. Glenn Keller of the Haliburton Highlands Secondary

School staff was one of the six delegates elected to attend the annual assembly of the O.S.S.T.F. to be held during the Christmas holidays. Mr. J. D. Logie was appointed Secretary for the O.S.S.T.F. (Kawartha) District 22.

At the end of the meeting, the teachers were served a turkey dinner in the cafeteria by Mr. Mark Schell and his assistants.

Minden Rotary Club Send \$50. Alleviate Hong Kong Suffering

Because of the thoughtfulness of the children in the Minden area, suffering has been alleviated in Hong Kong.

At last year's Annual Christmas Theatre Party provided by the Rotary Club of Minden, the children agreed to forego the usual bag of candies and instead, make a donation to CARE.

The Minden club forwarded \$50.00 to CARE, for world relief. Recently Harry Cowan, club president, received a letter from Jimmy Tse, President of the Rotary Club of Kowloon West, Hong Kong.

He states, "Through CARE Hong Kong, we have received a donation of 500 lbs. of rice from your Rotary Club, for which donation we thank you."

"It was just after a fire in the scattered area in Tai Home Village, Kowloon and there were nearly 500 people homeless. Emergency relief measures were being taken and we distributed the rice — together with the donations from the Rotary Clubs

of Orangeville and Victoria totalling 1410 lbs. — among the survivors in co-operation with the Kai-Fong Welfare Association of that district. On behalf of the recipients we thank you again for the donation."

"Hong Kong, especially Kowloon, is adjacent to the Red China mainland. From time to time there are refugees coming in, and relief work here is necessary and urgently required. If your Rotary Club would continue your donation of food, it would be most beneficial to the refugees concerned and would also help the work of expansion of our community service."

H.B. Feir Passes On

Mr. H. B. Feir passed away early this morning. The deceased had been in failing health during the past three weeks.

The late Mr. Feir is resting at the John Welch and Son Funeral Chapel, Minden.

The Kennaway Inn

Mr. Norman Rebadow has recently made a tour of the Laurentians, which have some of the most up to date ski resorts on this continent.

Purpose of the visit was to see some of the latest of these hotels and secure ideas that would help in the construction of the new resort hotel at Outlet Bay.

Every possible move is being made in order that a start may be made in April of next year

Bancroft Wins Field Day

The students of Haliburton Highlands Secondary School, resting on the laurels of their decisive victory last year, were defeated by a close margin on Wednesday, October 14, by the students of North Hastings High School. The second annual field day between these two schools was this year held at Bancroft. The day was begun with a parade of athletes and a presentation of the school's flags, followed by a welcome to the Haliburton contingent by Mr. F. S. Beckley, Principal of the North Hastings High School, and a reply by Mr. J. Douglas Hodgson, Principal of Haliburton Highlands Secondary School.

Bancroft girls won 73 points
Haliburton girls won 125 points
Bancroft boys won 174 points
Haliburton boys won 113 points
Bancroft Total — 247 points
Haliburton Total — 238 points

The following three Haliburton Highlands Secondary School students won individual championships: Tanya Hewitt, Intermediate Girls, 15 points; Ann Eastwood, Senior Girls, 13 points; Andy Paul, Intermediate Boys, 16 points.

Youth Convicted In Liquor Case

LINDSAY (ENS) — Raymond Shaw, 17, of Minden, was fined \$50 and costs for drinking while under the legal age.

Magistrate C. W. Guest dismissed a careless driving charge against Shaw last Wednesday.

Const. Dale Coe of Fenelon Falls detachment of the OPP said he found Shaw in the totally wrecked car at 2 a.m. on June 13 at Peace Valley. He said the youth was detained in hospital for several weeks with a broken leg as result of the accident.

He said Donald Shaw, 24, brother of the accused, was walking near the wrecked car in a dazed condition.

Magistrate Guest said he would dismiss the charge because no evidence was produced identifying the driver of the car at the time of the accident.

Snow Cruiser Franchise To Lakeshore Marine

Lakeshore Marine of Haliburton, Ontario, has been awarded the Snow Cruiser franchise. This new recreational snow vehicle, which is revolutionizing winter sports, will be available for demonstration rides following the area's first snow fall.

Pictured above is Glen Hodgson, M.P.P., presenting Miss Maureen Onell with a certificate emblematic of what is known as an Ontario Scholarship. Such awards are only made to those students who attain 80% or better on grade 13 examinations. We are sure that this young student viewed this occasion with a certain amount of pride and satisfaction for such a high standing could not be attained without real hard work. It must have been a proud moment for all those who have to do with the administration of the Haliburton Highlands Secondary School when this award was presented to this brilliant young student as it marks the first occasion that a pupil at the school had ever attained this high honour.

Not only did Miss Onell win the Ontario Scholarship, but she was presented with the Eastern Star Scholarship, the Student's Council Scholarship, Teaching Staff Scholarship for Science, Haliburton Branch 129 Royal Canadian Legion Scholarship, and the F. D. Herlihey Memorial Scholarship.

We understand that Maureen has entered Victoria College, University of Toronto, where she will major in languages.

IGA Staff Party In Toronto

On Monday, the management and staffs of the I.G.A. Stores in Haliburton, Minden, Cobocok and Fenelon Falls, were in Toronto for their staff party at the Club Kingsway. The party is put on by the local I.G.A. managers in co-operation with the I.G.A. (Oshawa Wholesale).

A bus was chartered for the trip, picking up the employees from Haliburton and along the way. When the bus pulled into Toronto, 37 employees of the I.G.A. were aboard.

Special entertainment was the highlight of the day and the entire staff enjoyed a beautiful buffet dinner. A draw for a mink stole was won by an em-

ployee of the Sutton I.G.A. Store.

Good Hunting

Lester Walling, while on a hunting trip in Northern Ontario, bagged two moose. Others who have travelled north to engage in this type of hunting have not enjoyed much luck. Lloyd Moore, another member of the party, did not shoot any moose but settled for a bear.

Moose are very scarce in this area, so it is a closed season as far as local hunters are concerned, hence to the increasing number from here who are travelling farther north to enjoy their hunting.

United Church To Mark 89th Anniversary

The Haliburton United Church is 89 years old and the Official Board have decided that the occasion will be fittingly observed the first Sunday of November.

The Board were more than pleased when the Rev. Gordon Smyth consented to be present for the anniversary services and they feel sure that when he steps into the pulpit, he will have a message that will be worth listening to. It was during Gordon's ministry here that Haliburton became self supporting after we had for many years depended on the Board of Missions to sustain our church.

Since that time we have acquired a new manse and before long, we hope that a new church will be in the making. While we celebrate our anniversary, no one can pardon the congregation for looking back, but we must ask ourselves what of the future.

On Monday evening, a con-

gregational dinner will be held as a climax to the anniversary celebration.

Flames Demolish Auto At Minden

MINDEN (ENS) — A car being pulled from a ditch Saturday burst into flames, destroying the interior.

Police said a car driven by Mrs. Joyce Roth of Toronto left Highway 35 south of Minden, and went into a ditch.

The driver and three passengers got out safely. As a passing motorist was helping pull the car out with chains, it burst into flames and was demolished in a matter of minutes.

Minden Fire Department was called. Loss was estimated at \$2,000.

NOTICE

The Court of Revision for the Township of Dysart Et Al will be held in the Council Chamber, Haliburton, Ontario, on Friday, October 30, 1964 at the hour of 9 a.m., when appeals against the 1965 Assessment Roll will be heard.

Dreamy Dreams

I like to watch the red and blue
Within the fire lights glow,
And dream of all the places
That I would love to go.

I'd cross the wild and foaming
seas

In ships of blue and gold,
The treasures of the whole wide
world

Within my heart to hold.

Upon a humpy camel's back
The desert plains I'd cross,
Then on to forests rich and green
With spidery hanging moss.

I'd watch the shining stars by
night

The burning sun by day,
When I had seen the whole wide
world

I'd travel home to stay.

As I grew old I'd sit beside
The gentle fire lights glow,
And share my treasure one by
one

With all who cared to know.

ANN CUMMINS.

News Notes From The County

The Brotherhood of Anglican Churchmen held their monthly Communion and Breakfast at St. George's Anglican Church at Haliburton on Sunday last. The members are looking forward to their first Ladies' Night this Friday at Hart Lodge.

The Haliburton Branch of the Civil Service Association will present its Annual Masquerade Dance and Draw on Saturday night, October 31st at 9 p.m. at the Canadian Legion Hall at Haliburton. Draw prizes: 1st, 30.30 Winchester Rifle; 2nd, G.E. Hair Dryer; 3rd, Spin Cast

Rod and Reel; Costume prizes, Door prize. Admission 75c. Proceeds are in aid of the Haliburton District Retarded Children's Association.

The Annual Meeting of the Haliburton County Guides Association was held in the Orange Hall at Haliburton on Friday night last.

Al Perrin has informed us that by special request, the dances will continue at the Slipper on Saturday nights.

The local Salvation Army are holding a Rummage Sale this Friday, October 23rd at 1:30 p.m. at the Salvation Army Hall.

Premier John Robarts and Glen Hodgson, M.P.P. for Victoria-Haliburton met recently at the International Plowing Match held at Peterborough.

The Haliburton I.G.A. Store at Haliburton was closed on Monday afternoon for a staff party.

Realtor Ray Lawson of Lindsay was named to the Lindsay Health Board for the remainder of the term of the late Marshall Stephens. Ray was a former O.P.P. Constable in Haliburton.

Reeve R. I. Moore of Lindsay said last week that he favoured a joint health unit to serve Haliburton and Victoria Counties. He said he was aware the Department of Health recommends a population of 35,000 for establishment of such units, but argued that because of the large territory covered in Haliburton and Victoria Counties, the population requirements need not measure up to the proposed requirements.

Work is progressing on the new Arena and Community Centre at Haliburton. The footings are in and the cement block work is well underway.

Quite a number from Haliburton County attended the recent International Plowing Match held in Peterborough.

The Sunday movie question won't be put to the Lindsay electorate this fall, if members of town council have their way. They feel it's too soon to put the question again in view of the nearly two-to-one opposition it received at the polls in 1962. Opposition to the idea was expressed following the reading of a letter from the manager of the Century Theatre in which the vote was requested.

With increasing urbanization, industrial expansion, and population growth, it is becoming more and more essential to protect our ground and surface waters. Do your part to guard our lakes, streams and rivers against pollution: on picnics or while holidaying at the lake, don't throw waste into the water, and discourage others from doing so. Polluted lakes and rivers endanger livestock, wildlife and fish, and even our own health.

SUGAR and SPICE

By Bill Smiley

HERE'S TRUTH WILDER THAN FICTION

I've decided to write a book. Not because I want to. Not because I have a message. Not because I think anybody will buy it. But because a fellow has dared me to.

He was a publisher. I told him hundreds of people — nay, thousands — had asked me when I was going to produce a book made up of my columns. This was a big, fat lie, of course. I think the total of the queries was between twelve and thirteen.

He was nice about it, if a little steely-eyed. He agreed that there'd be a big sale, if I bought the 1,000 copies I promised to buy, to give away to my friends. (They'd be getting about 120 copies each, at that rate, but they could give them away to THEIR friends.)

He agreed that the whole thing was a great idea. For some other publisher. But he sort of took the steam out of my self-esteem when he came out with the logical statement, "If a book is worth publishing, it's worth writing."

This is the sort of thing publishers sit around thinking up, when they're not worrying about some of us great writers getting away from them. Which they don't seem to spend an excess of time doing. Unfortunately, writers can't flash back with, "If a book is worth writing, it's worth publishing." Mainly because it isn't true.

What's the book going to be about? Well, that's still on the secret list, because I don't know. But after looking over a few shelves of books at the local library, I know that publishers will print almost any kind of garbage.

So, if it's garbage they want, I'm going to make up the biggest literary garbage pail that has ever been set before the public. It's going to be crammed with sex, violence, delinquent teenagers, corrupt politicians, dope fiends, alcoholics, doctors, cowboys, how to raise prize zinnias, favourite recipes, and all the other ingredients of the most successful books.

It will be autobiographical, of course. At first, I thought that might be a little difficult, as I've led rather a sheltered life. Then I realized that all I had to do was decorate things a little. Gild the Billy so to speak.

Thus, instead of going to high school and being on the football team and going steady, in the book I'll be the leader of a group of teenage terrorists who get their kicks out of setting fire to nursing homes, under the influence of heroin.

Instead of joining the air force and becoming an officer and a fighter pilot and having a ball most of the time, in the book I'll be an army private, intellectual and embittered, under the whip of a sadistic captain.

Instead of spending a year in a sanatorium, loafing, laughing, playing chess and reading, in the book I'll spend a year in a mental institution with a gang of pervers, alkies, junkies and a doctor straight out of Edgar Allan Poe.

Instead of becoming a weekly editor, writing about sewers and such, in the book I'll be an advertising executive with three mistresses, no morals and an unlimited expense account.

Instead of becoming a docile English teacher peddling metaphors and similes, in the book I'll be a famous television personality with great talent and no scruples, who poisons the minds of his listeners with cleverly disguised racial prejudice and completely undisguised commercials about armpits.

How does it sound? You like it? Oh. You don't. Well, in that case, I'll just have to write a dull, insipid book about dull, insipid old things that really happened.

Boy, are you ever going to be bored reading about the time the two nine year old girls cornered me in the treehouse and kissed me. Or the time I fell in love with the Brazilian girl in the dead of a Canadian winter. Or the time the Old Battleaxe chased me through the snow in her dressing-gown, trying to hit me with a phone she'd yanked off the wall. Or the time I was beaten up by four old men...

Ontario Hosts Trainee From India

Over 11,000 miles by land and air, over four continents and four oceans and seas, is the trip made by Mr. S. N. Patry, from India to Toronto. Mr. Patry, who is a B.Sc. and graduate in Mechanical Engineering, comes from Sambalpur, in East Central India. There, he is a Boiler Inspector, and has come here under the Colombo plan to study the most modern methods of boiler construction, supervision and inspection.

Mr. Patry's inspection territory is approximately 20,000 sq. miles, and has some 200 boilers, more of them small than large. However, his state of Orissa is advancing industrially from light industry into steel, paper, cement and chemicals. Rich in minerals, growth is inevitable, and to cope with this, he was sent to study the latest boiler developments and techniques. Ontario was selected because of its wide range of light and heavy industry, and its efficient boiler inspection system.

He has been attached to the Boiler Inspection Branch of the Ontario Department of Labour in Toronto since August, and from here he has studied boilers in major centres in Southern Ontario. The outstanding difference he finds here are the large number of boilers, their greater size and more modern construction. He is particularly impressed with the increasing use of forced circulation systems with their better regulation of heat transfer, as compared to the natural circulation systems in use in his home state.

Mr. Patry will stay with the Boiler Inspection Branch until the end of October, and then spend another month studying boiler construction in Ontario plants under the auspices of the Federal External Aid Department. The Branch here was impressed with the degree of education required for District Inspectors in India. Mr. Patry explains that this is due to the variety of problems they must meet, the great distances involved, and the necessity of the Inspectors being able to meet and solve most problems without close-by assistance.

Mr. Patry returns to India by plane, in December via London, Rome, Beirut, Teheran and Delhi, and covers the last 1,400 miles to Sambalpur by train.

WEDDINGS

TYLER — McDOUGALL

In a ceremony in Cumberland United Church, Cumberland, Ontario on Saturday, October 10th, Barbara Irene, daughter of Mrs. Gladys McDougall of Brockville, became the bride of Mr. Keith Tyler, son of Mrs. Randolph Tyler of Haliburton and Ottawa.

Rev. Mr. A. Manson officiated. Misses Marguerite, Kathleen and Melanie Smith sang during the wedding ceremony, accompanied by Mr. Wm. McMillan at the organ.

The bride wore a full length gown of white nylon over satin, embroidered with pearls and sequins. She wore a shoulder length veil and carried red roses and white mums.

The attendants, Miss Marilyn Dow and Mrs. Marilyn Ettinger, wore gowns of blue peau de soie with matching lace jackets, and carried yellow and white mums.

Mr. Murray Woodcock was groomsman, and Mr. Douglas Whittaker and Mr. Eric Ettinger were ushers.

Following the ceremony a reception was held at the home of Mr. and Mrs. L. G. Smith of Cumberland, Ontario.

Wear A Hockey Helmet

Another hockey season will soon be starting here in Haliburton County. We cannot over emphasize the fact that hockey players, especially those in the minor league, should wear helmets.

Any player in the County who is pessimistic about having to wear a hockey helmet might be interested to know that a serious injury to a young hockey player in Bancroft was prevented during a hockey game last year when he crashed head first into the end boards of the arena due to a hefty body check. The result was that the boy, although badly shaken up, came back to play solid hockey after a 5-minute breather, sporting a dent in his helmet, but otherwise injury free.

Had he not been wearing his helmet, he might have suffered a severe head injury which could well have ended his hockey career.

And again last winter a junior hockey player from Canington had to be rushed to the Lindsay Ross Memorial Hospital after receiving an injury in a hockey game. According to all reports, the boy would have been killed only the hockey helmet saved him.

Get out those hockey helmets boys, they could save your life.

No Unemployment Here

From latest reports, we can honestly say that there is no unemployment in Haliburton and surrounding area at the present time. The outlook for employment here this coming winter also looks very encouraging.

It has been a long time since we have seen such a shortage of men. At the present time its very near impossible to hire a man for ordinary jobs, and carpenters and block layers are at a premium.

One might ask where are all these men working. May we point out that there is building activity going on throughout the area. Major building improvements running into thousands of dollars are taking place at Camp White Pine and Camp Northland, new houses are being constructed and a large number of local men are being employed on the new Arena and Community Centre at Haliburton. Others are working on the new highway at West Guilford. The future also looks bright with major improvements to be made on Dovers Hill and the start of the \$2 million all year round Resort on Outlet Bay.

Yes, we can honestly say that there is work for anyone who wants to work. Just this week three different people have told us that its practically impossible to hire a man, everyone is working.

The above is good news, let's hope it continues.

UNICEF Is Important

Zanibar, a new African republic and Zorra, a Canadian town differ in climate, resources and job opportunities. In common, both have concern for the sturdy health and basic education of growing children. Both realize that youngsters should be so trained that they can stand on their own feet and contribute to the world's quota of productive citizens.

It is in this field that UNICEF (United Nations Children's Fund) actively participates in 116 countries of the world. Funds donated by governments, private individuals and youngsters (33 million annually) go to International UNICEF. A rotating committee of 30 chosen from the 116 participating countries allocate funds for disease control, health units and schools.

On Hallowe'en Canadian youngsters enjoy the traditional fun of dressing up, visiting friends and neighbours, collecting the usual treats. But on this night they also carry with them the UNICEF Hallowe'en collection boxes for coins donated to UNICEF. This year half a million Canadian children will provide half a million dollars to help fight hunger, disease and ignorance amongst the world's less fortunate children. It is a Crusade for Children by Children.

UNICEF is important — important to both the giver and the receiver.

The Churches were tastefully decorated for Thanksgiving Sunday. Many spent the day with friends and relatives.

Rev. Petrie of Haliburton conducted Communion and Baptismal services on Sunday for this circuit of the United Church at Wilberforce. Consequently there was no regular service at the Church. Mr. and Mrs. Jerrey Dewey were present and had their new baby, Fergy Harold Frank, baptized.

Mr. and Mrs. Crawford Shier of Toronto visited with Mr. and Mrs. Martin Shier.

Mr. and Mrs. Geo. Maxwell and Judy spent the week-end with Mrs. Wm. Maxwell.

Mr. and Mrs. Dale Hadley and Larry of Omemee spent Sunday with relatives.

Mr. and Mrs. Carl Sisson visited for a week in Toronto.

Mrs. Kenneth Graham and young son have returned from Minden.

Mrs. Reuben Switzer visited her daughter at Scarborough.

Mrs. J. E. Pickens visited relatives in St. Catharines and Toronto last week.

Mr. and Mrs. Burritt who have spent the summer months here have returned to Buffalo for the winter.

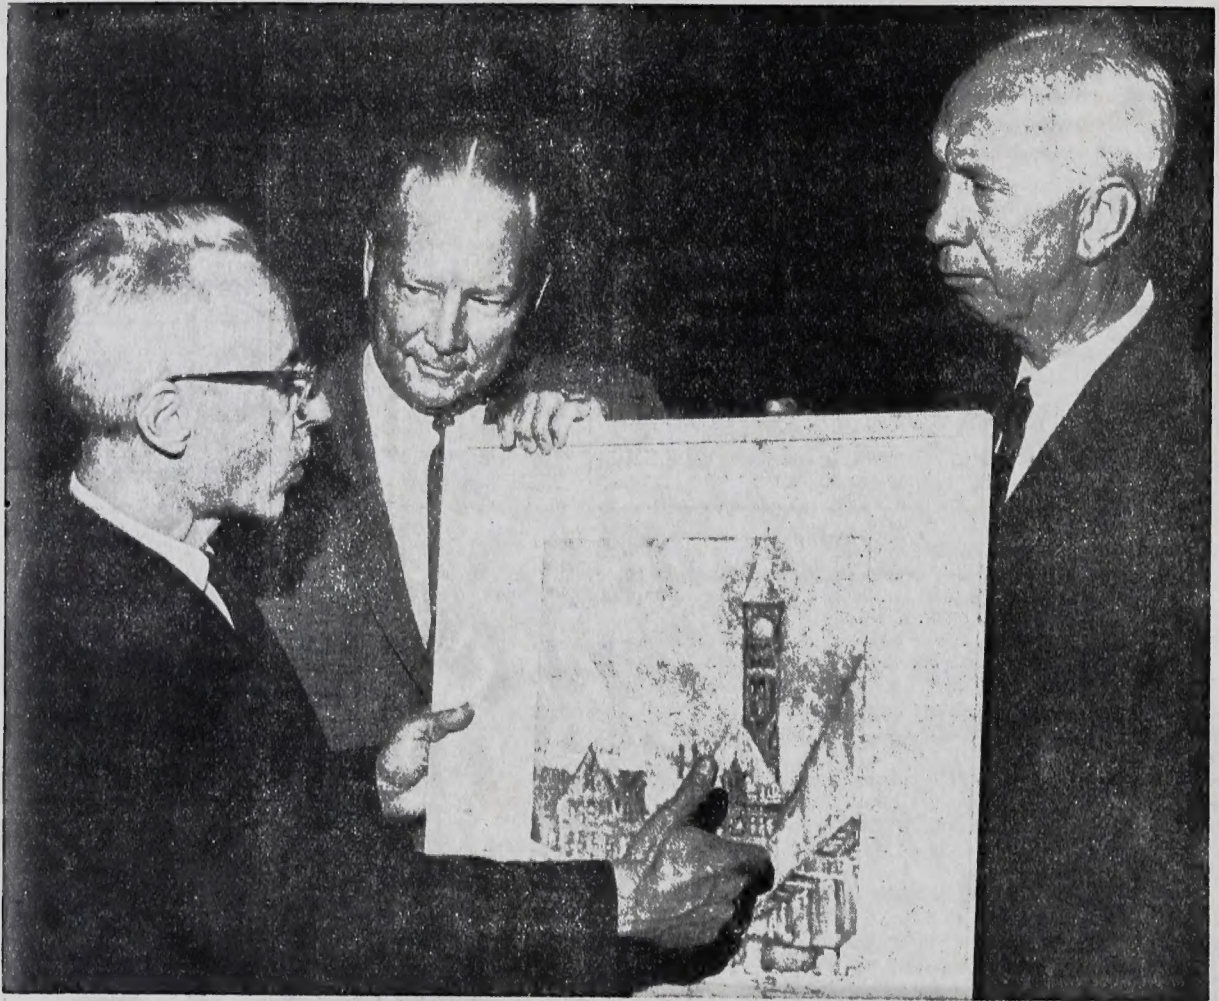

On Wednesday afternoon, a group of ladies motored to the home of Mr. and Mrs. Len Milburn and enjoyed a pot luck dinner. After dinner the regular devotion was held with Mrs. W. Bellings presiding. She was also in charge of the topic, which was on Thanksgiving and the greater portion of the meeting tended toward the same trend as the Secretary announced roll call.

Cards were signed by all and sent to the following. Mrs. Van Der Veen who has a new baby boy, James Peter, and to Mrs. J. Alsop, Haliburton, who will soon celebrate her ninety-second birthday Mrs. Orval Hartin, and Mr. Dan Dewey.

The ladies are planning a supper in the near future.

Mr. McAllister gave a courtesy note to the Milburns for their hospitality and closed the meeting with prayer.

Local Artist Stephen Nyilas Honoured In Toronto

Pictured above at the left is artist Stephen Nyilas, a former resident of this area, pointing to a picture he painted which graphically illustrates the architectural design changes over the half century between Toronto's two city halls. The Honourable Stanley Randall, centre, Ontario Minister of Economics and Development, accepts the painting from Valhalla Inn president, Edmond Peachey, right, following the opening ceremony of art show in Nordic Court at the Inn. The oil painting will eventually be hung in Ontario House in London, England. Stephen Nyilas became a recognized artist in the Haliburton area in the last year's art show held at Carnarvon. His heart is still in the Highlands of Haliburton and he is planning to paint here during the winter months. Unfortunately he has to go into the hospital in Toronto for a knee operation in the near future. He is proud that he became recognized with his Haliburton scenes in the city.

WEDDINGS

CORMIER — WHITTAKER

The Haliburton United Church was the scene of a pretty candle-light service on the 26th day of September at 7 o'clock in the evening when Patricia Alice, daughter of Mr. and Mrs. Lloyd Whittaker of Toronto was united in marriage to Mr. Kenneth A. Cormier, son of Mr. and Mrs. Stanley Cormier of Toronto.

The Rev. George Petrie officiated at the ceremony and Mr. Mike Rowe of Toronto sang "The Lord is My Shepherd" and "The Wedding Hymn". He was accompanied at the organ by Mr. William Gliddon.

The bride, who was given in marriage by her father, wore a beautiful gown of imported French brocade, straight skirt, full length, rounded with sleeves to a point, buttons down the front of the dress. The bride's headdress was a full length veil of French tulle with a pill box hat of same material as dress. She carried a bouquet of yellow roses and white mums.

The maid of honour was Mrs. Noreen Sly of Scarborough. The bridesmaids were Miss Lynda Cormier of Toronto, Miss Emily Elliott of Kitchener and Junior bridesmaid Miss Cheryl Morton of Toronto. The flower girl was Miss Joan Leslie of Aurora and ringbearer was Master David Cormier of Toronto.

The maid of honour and junior bridesmaid wore royal blue dresses, street length and matching accessories. The two bridesmaids wore emerald green dresses, street length with matching accessories and carried bouquets of pink and white mums. The headdresses were of the same material as the dresses with shoulder veils.

The best man was Mr. Curry Whittaker of Haliburton. Ushers were Mr. Peter Fiske and Mr. Basil Cormier, both of Toronto.

For the reception, the bride's mother received wearing an aqua blue three piece suit with accessories of beige and a corsage of pink rose buds. The bridegroom's mother assisted wearing a royal blue three piece suit with hat to match, and a corsage of pink rose buds.

Before leaving on a honeymoon to different points in the United States, the bride donned a beige suit with accessories to match.

Out of town guests were from Toronto, Ann Arbor, Mich., Aurora, Scarborough, Don Mills, Kitchener, and Peterborough.

CHURCH NEWS

LITTLE HELPERS' PARTY

St. Paul's, Minden, held their Annual Little Helpers' Party on Tuesday, October 13th. What a happy time! There was singing and games until they all arrived; then a very simple but beautiful service in the Church was conducted by Mrs. Garnet Lytle, the highlight of which was the children lip-synching out the Little Helpers' Prayer: "God bless the missionaries all over the world and all the Little Helpers for Jesus' sake."

Then, back to the dining room where, with faces beaming, they partook of a bountiful lunch served by the W.A. members.

B.A.C. COMMUNION AND BREAKFAST

The following are the minutes of the Brotherhood of Anglican Churchmen Communion and Breakfast held at St. George's Anglican Church at Haliburton on Sunday, October 18th, 21 members being present.

We were pleased to welcome Rev. Mervyn Everall of Fort Nelson, a former resident here and member of our B.A.C.

All members present were reminded of the Ladies' Night on October 23rd and also the Parish party to be held at Halimar.

The envelope system went into operation and it was decided to pass out the envelopes each Sunday.

The guest speaker of the morning was Mr. Roger Rawlings, who for the past five years has been connected with the

School for the Deaf at Belleville. Mr. Rawlings, who gave a very interesting and inspiring talk, has worked for the Toronto Star, Evangelical Publishers and he also attended Teacher's College. He was introduced by Rev. Carder and thanked by Joe Taylor.

The meeting closed with prayer.

ST. ANTHONY'S ALTAR SOCIETY

The October monthly meeting of St. Anthony's Altar Society was held in the basement of St. Anthony's Chapel, with the President, Mrs. Mary Pearsell, presiding. Four new members were welcomed, Mrs. M. VanMil, Mrs. J. Young, Mrs. Lepage and Mrs. J. Sweeney.

Mrs. Eva O'Hara reported that there are 14 paid up members to date.

An interesting article was read by Mae Faerrey, "Would Christ call you a Christian?"

The minutes of the previous meeting were read by Mrs. Rose Barry, and Mrs. Audrey Gauthier gave the Treasurer's report.

The business part followed with a discussion for a supper to be held in November, date to be decided later. Mrs. Mary Salvatori was appointed Chairman for Courtesy committee.

The meeting adjourned with prayer.

A social period followed with Madeline Daniels being presented with a gift by Mrs. Victoria Formica on behalf of all the ladies. Mrs. Daniels is moving away.

WEST GUILFORD NEWS NOTES

Mrs. Hattie Stamp spent a week in Toronto visiting relatives.

The Recreation Club held a Euchre party in the auditorium of the School Friday night. Mr. Bert Boice was given the honour of making the draw for the Quilt, Pillow Cases and Apron. Mrs. Turner of Lindsay won the emblem quilt, Mr. Stan Sommerville the pillow cases, and Mrs. Marg Kaminskis of Detroit the apron.

Work will soon be starting on the School Rink. Anyone wishing to help in this project may contact Mr. Gary Welch or Mrs. Murray Scott.

HALIBURTON

Mr. and Mrs. Gordon Griffin spent the week-end with their family in Scarborough and also motored over to Niagara Falls, N.Y. on Sunday.

TOWNSHIP OF MONMOUTH COURT OF REVISION

The Court of Revision for the Township of Monmouth will be held in the Council Chamber, Wilberforce, Ontario on Monday, October 26th, 1964, at the hour of 10 o'clock in the forenoon when appeals against the 1964 Assessment for the 1965 Tax Levy will be heard.

Township Pays Bounty On Wolf

LINDSAY (ENS) — Two agreements for subdivisions were ordered by Somerville Township Council.

The agreements will be for subdivisions to be built by Thomas Shankland and another on Four Mile Lake. The first wolf bounty of the season was ordered paid to Russell Brohm, Kinnmount.

Road accounts to the amount of \$1,213 were paid. The clerk was ordered to write to the Department of Agriculture to request a vaccination clinic for dogs in the township.

General accounts of \$308 were ordered paid.

New Science Centre To Be "People's College"

TORONTO, Ont. — Ontario's centennial project, a multi-million dollar centre of science and technology, will be created as a true "people's college,"

Don James Auld, minister of Tourism and Information, said here recently.

Speaking to some 150 U.S. and Canadian delegates to the Northeast Museums Conference, the minister said the centre initially will spotlight the achievements Ontario people have given to the world — the work of the Bantings, the Masseys and Alexander Graham Bells.

"We will take the theme that 'science knows no boundaries,'" he said, "to make it an instrument of education in both the organized and the casual sense."

The project, to be known as the Ontario Centre of Science and Technology, will be a three-phase development, Mr. Auld explained. The first, to be completed by Dominion Day, 1966, will be essentially Ontario oriented. Second phase will broaden the scope of the centre to national interest, and its third will become one of international significance.

The minister said he didn't know just how long this will take or how much money will be involved. The original estimate was \$5,000,000 of which the Canadian government will pay half.

The centre is to be built on a 170-acre Don Valley tract within Metropolitan Toronto. Nearly three dozen sites in and around Toronto has been considered.

"Upon completion," said Mr. Auld, "visitors to the centre will be led stage by stage through the relationship of Ontario to the world at large. Within the sight of wooded parkland and the sound of waterfalls, they'll learn the basic concepts of what is science and what is technology."

The minister said the centre will be designed to give the visitor an insight into the basic laws of physics, chemistry and biology with a technique aimed at the intelligent man who lacks this specific scholastic knowledge. "And here, again, we anticipate that most important aspect — visitor participation."

He added that the centre would likely be designed to accommodate a visitor flow of 3,000 persons per hour and will have waiting areas to handle peak-period overflows. It also will have administration offices, meeting rooms, amphitheatres, teaching facilities and a library.

J. Wesenberg,
C.D., Consultant**OBITUARY****CLARENCE E. TALLMAN**

Clarence E. Tallman, 54, of 981 Queens Blvd., died Thursday, October 8th at St. Mary's Hospital after a brief illness.

Born in Wilberforce, Ont., on Jan. 11, 1910, he was a son of Mrs. Jeannie Tallman of Wilberforce and the late Egerton Tallman.

He attended Highland Road United Church and had been employed at B. F. Goodrich Canada Limited for the past 36 years.

Besides his mother, he is survived by his wife, the former Floy Matthews whom he married in Kitchener, Sept. 8, 1928; two sons, Donald and Larry of Kitchener and a daughter, Mrs. Frank (Marlene) Rutz of Kitchener; three brothers, Ernest of Kitchener, and Keith and Karl of Wilberforce; five sisters, Mrs. Esley (Beatrice) Matthews and Mrs. William (Alma) Dickin, both of Kitchener, Mrs. Jack (Edith) Daniels of Wilberforce, Mrs. Elwin (Jean) Wood of Richmond Hill, and Mrs. George (Patricia) Grant of Belleville and five grandchildren.

He was predeceased by one brother, Harry.

The body rested at the Ratz Bechtel Funeral Home until Monday where the funeral service was held at 11 a.m. with Rev. A. E. Holley officiating.

Donations to the Canadian Arthritis and Rheumatism Society were accepted as expressions of sympathy.

Rotary News

The Haliburton Rotary Club held its weekly luncheon at the United Church on Thursday night last. Seven members were absent.

Secretary Jack Robertson read a letter from the Rotary Foundation and followed up with a report and the minutes of the last director's meeting.

Russell Woodcock gave a report on the work at the Rotary Beach.

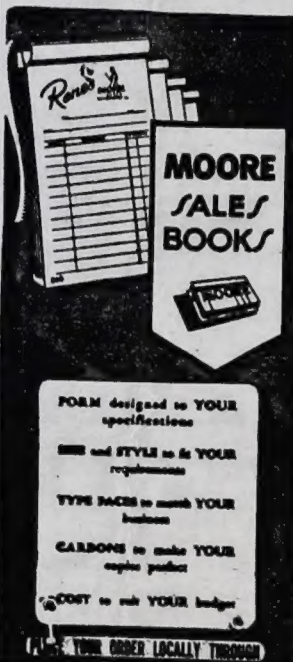

Lance Easton, chairman of the Halloween party said that he would have more to report at the next meeting.

A film was shown entitled, "Let's Talk Hunting". Members have been reminded to make their contacts for the Christmas trees.

Rotary Foundation Week, celebrated this year on Nov. 15 - 21st will be marked by our club with a club assembly. Our guest for the evening will be District Governor Arthur Grout from Chapleau, Ontario.

ious snow-mobile on the market. It will carry a family of three across almost any type of snow-covered ground at speeds of 30 miles per hour.

"It can be used to tow skiers, pull toboggans or cruise into the summer cottage on winter week-ends," said Jack Hunter. "Farmers also find it ideal for crossing their fields in winter to make off-season repairs, cut cordwood or clear brush."

Snow Cruiser puts the best fishing holes within easy reach when ice fishing.

The Snow Cruiser, which is now on display at Lakeshore Marine in Haliburton, will sell for \$795.00.
